

# CALL FOR PAPERS

The Geological Society of Trinidad and Tobago (GSTT) proudly presents its 5th Geological Conference "*From the Conventional to the Ingenious*" in Port of Spain, Trinidad & Tobago, September 3rd -5th 2012.

The aim is to bring together academic scientists, industry geoscientists and engineers, policy makers, administrators, researchers and students to share their experiences and knowledge about all aspects of the geological sciences, and discuss the challenges faced, identify future challenges and provide potential solutions.

The Conference will include daily plenary sessions, poster sessions, exhibits, workshops, field trips and special panel discussions. The proposed GSTT technical program will be organized topically and we welcome abstracts for both oral and poster sessions in the following categories:

- Resource exploitation and the environment
- Aggregate resource assessment and management
- Deep water hydrocarbon exploration, development and production
- Hydrocarbon play concepts and prospects
- Stratigraphy, sedimentology and mineralogy
- Structure and tectonics of the southeast Caribbean margin
- Regional geology and basin analysis
- Biostratigraphy and palaeontology
- Rejuvenating mature provinces
- Unconventional hydrocarbon resources
- Alternative energy sources in the Caribbean
- Petroleum systems and geochemistry
- Geophysical techniques for geological applications
- Geophysical imaging of the deep crustal structure
- GIS and remote sensing in the Earth Sciences
- Coastal management
- Water resource identification and assessment
- Geohazard identification, mitigation and disaster management
- The business of geology

Please identify one (or more) of the above topics to which your talk is suited. Topics that are not related to the above sessions are welcomed and will be organized into open sessions.

## JOIN IN: SUBMIT YOUR PAPER

In that spirit, we invite you to share your work with the rest of the geological community. To submit your paper for consideration, email the following information to [gstt@tstt.net.tt](mailto:gstt@tstt.net.tt) :

- Your name and names of co-authors.
- The title of your talk / poster
- An abstract of your paper.
- A brief bio of yourself
- Your preferred email address (if other than the one you sent your submission form)
